### Vallecitos Board meetings to be broadcasted on local television

San Marcos, CA – In an effort to promote transparency and openness, the Vallecitos Water District will start broadcasting its Board meetings on the City of San Marcos' San Marcos Community Television (SMTV) network.

A camera has been installed in the San Marcos-based agency's Board Room and starting next week, the public will be able to access recorded sessions via the City of San Marcos' SMTV network on Cox Communications Channel 19, Time Warner Cable Channel 24 or AT&T U-verse Channel 99.

For customers that may not have access to these media outlets, the District will also be placing recorded Board meetings in their entirety on its web site at [www.vwd.org](http://www.vwd.org).

Staying true to its industry-leading identity as a water and sewer provider in the region, Vallecitos is ensuring its customers can view Board proceedings from the comfort of their family room to gain a better understanding of the District. Go to [www.san-marcos.net/smtv](http://www.san-marcos.net/smtv) for scheduled air times.

####

*Vallecitos Water District is an independent, special district dedicated to providing water, wastewater and reclamation services to approximately 94,000 people in a 45-square-mile area that includes San Marcos; the community of Lake San Marcos; portions of Carlsbad, Escondido and Vista; and other surrounding unincorporated areas. The public is invited to Board meetings, taking place at 4 p.m. the first and third Wednesday of each month, and the Committee meetings, typically taking place at 4 p.m. the Monday between the two Board meetings at Vallecitos' Administration, Maintenance, and Operations Facility - 201 Vallecitos de Oro, San Marcos.*
