SUBJECT: APPROVAL OF CONSTRUCTION AGREEMENT FOR SUNSET RIDGE
APN 226-280-19 (RAECORTE DEVELOPMENT, LLC.)

BACKGROUND:
Raecorte Development, LLC, owner of the project, has completed the plan check process with the District. The project is located east of Bennett Avenue and north of Rock Springs Road. The project was originally brought to the Board and was approved for construction of a 9-lot project on November 17, 2004. The previous project was reorganized and is now proposed as a 14-lot subdivision.

DISCUSSION:
A Construction Agreement is typically entered into between a developer and the District to ensure that the required public facilities are constructed to support the demands of the development.

The project will construct approximately 630 feet of 8-inch diameter PVC water main and 485 feet of 8-inch diameter PVC sewer main.

Upon completion of the water and sewer facilities, water and sewer service will be available to 14 single family dwelling units.

All engineering fees, inspection deposits, water and wastewater capital facility fees have been paid prior to Board approval of the Construction Agreement. Primo Builders, Inc. had purchased wastewater and water capacity in 2004 for the original 9 lots. Raecorte Development, LLC. paid $131,544 in 2019 for the additional five lots.

The owner has submitted standard surety bonds to guarantee completion of the project. The following bond amounts have been reviewed and approved by staff:

FISCAL IMPACT:
None. Future water and sewer revenues will offset costs of service.

RECOMMENDATION:

5.2 **LIMITS.** The DEVELOPER shall maintain limits no less than the following:

A. **General Liability** - One million dollars ($1,000,000) per occurrence for bodily injury, personal injury and property damage. If Commercial General Liability Insurance or other form with a general aggregate limit or products-completed operations aggregate limit is used, either the general aggregate limit shall apply separately to the project/location (with the ISO CG 2503, or ISO CG 2504, or insurer’s equivalent endorsement provided to DISTRICT) or the general aggregate limit and products-completed operations aggregate limit shall be twice the required occurrence limit.
B. **Automobile Liability** - One million dollars ($1,000,000) for bodily injury and property damage each accident limit.

5.3 **REQUIRED PROVISIONS.** The general liability and automobile liability policies are to contain, or be endorsed to contain, the following provisions:

A. DISTRICT, its directors, officers, employees, and authorized volunteers are to be given insured status (via ISO endorsement CG 2010, CG 2033, or insurer’s equivalent for general liability coverage) as respects: liability arising out of activities performed by or on behalf of the DEVELOPER; products and completed operations of the DEVELOPER; premises owned, occupied or used by the DEVELOPER; and automobiles owned, leased, hired or borrowed by the DEVELOPER. The coverage shall contain no special limitations on the scope of protection afforded to DISTRICT, its directors, officers, employees, or authorized volunteers.
B. For any claims related to this project, the DEVELOPER’s insurance shall be primary insurance as respects DISTRICT, its directors, officers, employees, or authorized volunteers. Any insurance, self-insurance, or
other coverage maintained by DISTRICT, its directors, officers, employees, or authorized volunteers shall not contribute to it.

C. Any failure to comply with reporting or other provisions of the policies including breaches of warranties shall not affect coverage provided to DISTRICT, its directors, officers, employees, or authorized volunteers.

D. The DEVELOPER's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

E. Each insurance policy required by this agreement shall state, or be endorsed to state, that coverage shall not be canceled by the insurance carrier or the DEVELOPER, except after thirty (30) days (10 days for non-payment of premium) prior written notice by U.S. mail has been given to DISTRICT.

Such liability insurance shall indemnify the DEVELOPER and his/her sub-DEVELOPER's against loss from liability imposed by law upon, or assumed under contract by, the DEVELOPER or his/her sub-DEVELOPER's for damages on account of such bodily injury (including death), property damage, personal injury, completed operations, and products liability.

The general liability policy shall cover bodily injury and property damage liability, owned and non-owned equipment, blanket contractual liability, completed operations liability, explosion, collapse, underground excavation, and removal of lateral support. Additionally, the automobile liability policy shall cover all owned, non-owned, and hired automobiles.

All of the insurance shall be provided on policy forms and through companies satisfactory to DISTRICT.

6. DEDUCTIBLES AND SELF-INSURED RETENTIONS. Any deductible or self-insured retention must be declared to and approved by DISTRICT. At the option of DISTRICT, the insurer shall either reduce or eliminate such deductibles or self-insured retentions.

7. ACCEPTABILITY OF INSURANCE. Insurance is to be placed with insurers having a current A.M. Best rating of no less than A:-VII or equivalent or as otherwise approved by DISTRICT.

8. WORKERS' COMPENSATION AND EMPLOYER'S LIABILITY INSURANCE. The DEVELOPER and all sub-DEVELOPERs shall insure (or be a qualified self-insured) under
the applicable laws relating to workers' compensation insurance, all of their employees working on or about the construction site, in accordance with the "Workers' Compensation and Insurance Act", Division IV of the Labor Code of the State of California and any Acts amendatory thereof. The DEVELOPER shall provide employer's liability insurance with limits of no less than $1,000,000 each accident, $1,000,000 disease policy limit, and $1,000,000 disease each employee.

9. RESPONSIBILITY FOR WORK. Until the completion and final acceptance by DISTRICT of all the work under and implied by this agreement, the work shall be under the DEVELOPER's responsible care and charge. The DEVELOPER shall rebuild, repair, restore and make good all injuries, damages, re-erections, and repairs occasioned or rendered necessary by causes of any nature whatsoever.

10. EVIDENCE OF INSURANCE. Prior to construction of FACILITIES under this Agreement, the DEVELOPER shall file with DISTRICT a certificate of insurance (Accord Form 25-S or equivalent) signed by the insurer's representative evidencing the coverage required by this agreement. Such evidence shall include an additional insured endorsement signed by the insurer's representative and evidence of waiver of rights of subrogation against DISTRICT (if builder's risk insurance is applicable). Such evidence shall also include confirmation that coverage includes or has been modified to include Required Provisions, A-E.

The DEVELOPER shall, upon demand of DISTRICT, deliver to DISTRICT such policy or policies of insurance and the receipts for payment of premiums thereon.

11. CONTINUATION OF COVERAGE. If any of the required coverage expires during the term of this agreement, the DEVELOPER shall deliver the renewal certificate(s) including the general liability additional insured endorsement and evidence of waiver of rights of subrogation against DISTRICT (if builder's risk insurance is applicable) to DISTRICT at least ten (10) days prior to the expiration date.

12. SUB-DEVELOPERS. In the event that the DEVELOPER employs other DEVELOPERs (sub-DEVELOPERs) as part of the work covered by this agreement, it shall be the DEVELOPER's responsibility to require and confirm that each sub-DEVELOPER meets the minimum insurance requirements specified above.

13. SECURITY. Upon execution of this Agreement and prior to Board approval, DEVELOPER shall provide the DISTRICT with a payment bond and a performance bond, each in the amount of $275,984.13 each payment and performance bond shall represent 100% of the estimated construction costs of the FACILITIES. Bonds shall be furnished by surety companies satisfactory to the DISTRICT. Surety companies, to be acceptable to the DISTRICT,
must have an acceptable rating from Best's Key Rating Guide, authorized to do business and have an agent for service of process in California.

If at any time a surety on any such bond is declared as bankrupt or loses its right to do business in the state of California for any reason, DEVELOPER shall, within ten (10) days after notice from the DISTRICT, substitute acceptable bonds in such form and sum and signed by such other surety or sureties as may be satisfactory to the DISTRICT in its sole discretion. The premium on such bonds shall be paid by the DEVELOPER.

In the event the PROJECT is sold, transferred or assigned the performance and payment bonds shall remain in effect unless new bonds acceptable to the DISTRICT have been provided.

The performance and the payment bonds must remain in effect throughout the period for performance of the work until the work is accepted by formal action of the Board of Directors of the DISTRICT.

In lieu of providing these performance and payment bonds, DEVELOPER may provide the DISTRICT with a cash deposit to replace either or both of these bonds, or may provide the DISTRICT with an Instrument of Credit, or Irrevocable Letter of Credit on a form acceptable to the DISTRICT. No substitution or modification of the DISTRICT's standard Instrument of Credit or Irrevocable Letter of Credit shall be accepted without approval of the DISTRICT.

14. DEVELOPER'S FAILURE TO PROVIDE INSURANCE OR BONDS. In the event any insurance or security provided to the DISTRICT in accordance with this Agreement is terminated or canceled for any reason, or is limited in the scope of coverage required by this Agreement, DEVELOPER shall have thirty (30) consecutive days from written notice from DISTRICT to procure the required insurance or security. The failure of DEVELOPER to present alternative insurance or security acceptable to DISTRICT within this thirty- (30-) day period shall constitute a material breach of this Agreement entitling the DISTRICT to unilaterally terminate this Agreement or sue DEVELOPER for damages at the election of the DISTRICT.

15. EASEMENTS. Prior to execution of this Agreement, DEVELOPER shall provide DISTRICT with a current preliminary title report issued within the last 90 days covering all properties in which easements are to be granted to the DISTRICT. The cost of the preliminary title report shall be borne solely by DEVELOPER. DEVELOPER shall provide the DISTRICT with such easements as the DISTRICT may require, as determined by the DISTRICT in its sole discretion. All easements to be conveyed to the DISTRICT shall be prepared on the DISTRICT's standard form easements. All easements shall: (1) be of a width satisfactory to
DISTRICT, in no case less than twenty (20) feet without specified approval of the Board of Directors; (2) be free and clear of all liens and/or encumbrances which could affect title to the easement; and (3) have recorded subordination agreements for all trust deeds or other liens to insure that the DISTRICT has prior rights in any easements being conveyed to the DISTRICT. DEVELOPER shall procure a policy of title insurance in favor of the DISTRICT covering easements to be granted in amounts determined by the DISTRICT subject only to those conditions of record acceptable to the DISTRICT. All fees and costs to procure easements required by the DISTRICT shall be borne solely by DEVELOPER. Nothing in this Agreement shall obligate the DISTRICT to exercise its condemnation authorities to acquire any easement determined necessary by the DISTRICT. All easements being conveyed to the DISTRICT must be in a recordable form acceptable to the DISTRICT prior to approval of plans and specifications by the DISTRICT.

16. QUALIFIED SERVICE COMMITMENT. Nothing in this Agreement is intended to limit the power of the DISTRICT to restrict the use of water as provided by California Water Code §§ 350 et seq., and §§ 31026 et seq. DEVELOPER is advised and understands that the ability of the DISTRICT to provide water service to the PROJECT is dependent upon the continuing availability of water imported to the DISTRICT from other agencies. In the event of a water shortage, threatened water shortage, or an emergency, water service to DEVELOPER's project may not be available or may be curtailed or restricted. Consequently, the DISTRICT cannot guarantee that water will be available at the time service is requested. The declaration of a water shortage, threatened water shortage or emergency shall be exercised in the sole discretion of the DISTRICT. DEVELOPER agrees that the DISTRICT shall not be liable for any damages, costs, fees, or expenses of any kind, caused by any curtailment, restriction, or termination of potable water service determined necessary by the DISTRICT.

17. CONSTRUCTION OF FACILITIES. DEVELOPER shall not commence construction of any FACILITIES required by this Agreement until DEVELOPER has received written authorization from the DISTRICT to proceed. All work performed on the FACILITIES shall be done in strict compliance with the approved plans and specifications and in a good and workmanlike manner as determined by the DISTRICT in its sole discretion. All work performed on the FACILITIES by DEVELOPER shall be subject to inspection by the DISTRICT's designated representatives and DEVELOPER shall comply with all instructions given by the DISTRICT's representative during construction of the work. All fees and costs to construct the FACILITIES shall be borne by DEVELOPER.
18. **COMPLIANCE WITH APPLICABLE LAW.** DEVELOPER shall insure that all work performed on the project is performed in a manner which complies with all applicable federal and state laws and all county and local government rules and regulations, including all rules and regulations of DISTRICT, as these rules and regulations may be modified or changed from time to time. DEVELOPER shall be solely responsible for obtaining and paying for all permits, licenses and approvals necessary to construct the FACILITIES. DEVELOPER shall provide verification that permits, licenses and approvals have been obtained promptly upon demand from DISTRICT.

19. **PREVAILING WAGES.** DEVELOPER is aware of the provisions of California Labor Code §§ 1770 et seq., which requires the payment of prevailing wage rates and the performance of other requirements if it is determined that DEVELOPER's contract with its contractor to construct the FACILITIES is a public works contract. DEVELOPER agrees to hold the DISTRICT and its officers, employees and agents harmless from any claim of liability, including costs of defense and attorney's fees, arising from any alleged failure to comply with these provisions of the Labor Code.

DEVELOPER, and not the DISTRICT, shall be liable for insuring that prevailing wages, as set by the Director of the Department of Industrial Relations, have been paid for all work performed in accordance with this contract. In the event of any claim, DEVELOPER shall provide the DISTRICT with all information in DEVELOPER's possession concerning the claim within ten (10) consecutive days following written demand from the DISTRICT.

20. **UTILIZATION OF A PORTION OF WORK.** DISTRICT shall have the right upon written notification to the DEVELOPER to utilize such portions of the work DISTRICT deems sufficiently complete to be utilized or placed into service.

21. **ACCEPTANCE OF WORK.** Upon completion of the FACILITIES required by this Agreement to the satisfaction of the DISTRICT, the FACILITIES which have been constructed shall be presented to the Board of Directors of the DISTRICT for dedication and the filing of a Notice of Completion. The DISTRICT shall have no obligation to accept the FACILITIES or file a Notice of Completion if the design and/or construction of the work is not satisfactory to the DISTRICT in its sole discretion. Upon recordation of a Notice of Completion, all right, title, ownership and interest in the FACILITIES shall be deemed to have been transferred to the DISTRICT. DEVELOPER shall not allow any part of PROJECT to be occupied prior to acceptance of FACILITIES by DISTRICT.

22. **WATER SERVICE MAINTENANCE AFTER ACCEPTANCE OF WORK.** Due to the uncertainty of prompt sale/construction/occupancy of the project's lots and based on the
need to provide adequate flow to residences, DEVELOPER shall be responsible for periodic flushing of the services within the subdivision until such time as the subdivision is sold. The DISTRICT and DEVELOPER will cooperate to provide manpower and schedule work.

23. LIABILITY FOR WORK PRIOR TO FORMAL ACCEPTANCE. Until the Board of Directors of the DISTRICT has formally accepted all work performed in accordance with this Agreement, DEVELOPER shall be solely responsible for all damage to the work regardless of cause and for all damages or injuries to any person or property from any cause excepting injury or damage caused by the sole or active negligence of DISTRICT, its agents, servants or employees.

24. LIABILITY AFTER ACCEPTANCE OF WORK. After the Board of Directors of the DISTRICT has accepted the FACILITIES by formal action of the Board, DEVELOPER and DEVELOPER’s successors in interest shall remain liable for all injuries or damage to persons or property including damage to the work itself, arising from or related to design or construction of the FACILITIES.

25. RELEASE OF SECURITY. Forty (40) days after the Notice of Completion has been filed by the DISTRICT, the DISTRICT shall release any security previously provided by DEVELOPER, as long as no claims have been filed. The security shall not be released until the DISTRICT has received a warranty bond or alternative security acceptable to the DISTRICT covering 25% of the original performance bond or alternative security amount. DISTRICT must have warranty bond prior to Board acceptance of the project. This new security shall remain in effect until the warranty period has expired One (1) year from final Board Acceptance and DEVELOPER has corrected all defects noted by the DISTRICT during the warranty period.

26. WARRANTY. DEVELOPER shall and hereby does guarantee all work and materials for the FACILITIES to be free from all defects due to faulty materials or workmanship for a period of one (1) year after the date of acceptance of the work by the DISTRICT. The DEVELOPER shall repair or remove and replace any and all such work, together with any other work which may be displaced in so doing, that is found to be defective in workmanship and/or materials within said one-year period without expense whatsoever to the DISTRICT, ordinary wear and tear and unusual abuse or neglect excepted. In the event DEVELOPER fails to comply with the above-mentioned conditions within one (1) week after being notified in writing, the DISTRICT is authorized to proceed to have the defects remedied and made good at the expense of DEVELOPER who agrees to pay the cost and charges therefore immediately upon demand. Such action by the DISTRICT will not relieve the DEVELOPER of the guarantee
required by this section. This section does not in any way limit liability of the DEVELOPER for any design defects or defects in the work subsequently discovered by the DISTRICT.

27. INDEMNITY. DEVELOPER shall be solely responsible and liable for design defects or defects in work performed to construct the FACILITIES required by this Agreement. This shall include liability and responsibility for injury or damage to the work itself. DEVELOPER hereby agrees to hold harmless, indemnify and defend the DISTRICT, the DISTRICT’s representatives and each of the DISTRICT’s officers, employees and agents from any and all claims, suits or action of every name, kind and description brought for or on account of injuries to or death of any person or damage to any property resulting from design or construction of the FACILITIES except where the injury or damage has been caused by the sole and active negligence of the DISTRICT, its agents, servants or employees. In the event that any suit is instituted naming the DISTRICT as a party, the DISTRICT shall be entitled to appoint its own independent counsel to represent the DISTRICT; and DEVELOPER agrees to pay all attorney’s fees and litigation costs associated with this defense. This indemnity shall extend to any claims arising because DEVELOPER has failed to properly secure any necessary easement, land right, contract or approval.

28. AS-BUILT DRAWINGS. Prior to acceptance of the work by the Board of Directors of the DISTRICT, DEVELOPER shall provide the DISTRICT with two (2) blueprint copies of “as-built” drawings. Upon approval of the blueprint copies the DISTRICT will require a bonded mylar or original drawing, disk and certification by a licensed engineer in the state of California as to the accuracy and completeness of the “as-built” drawings.

29. CASH DEPOSITS. DEVELOPER shall provide the DISTRICT with an initial cash deposit in the amount of $28,225.63 to cover all DISTRICT fees and costs associated with the FACILITIES. When this deposit has been drawn down to $2,500.00 DEVELOPER agrees to deposit such additional sums as the DISTRICT may determine from time to time to cover all fees and costs of the DISTRICT. Prior to final acceptance of the project, a final accounting will be forwarded to the developer for payment. Additional deposits for additional inspections after acceptance of the project may be requested.

30. MISCELLANEOUS PROVISIONS.

30.6 **BINDING EFFECT.** This Agreement shall inure to the benefit of and be binding upon the parties and their respective purchasers, successors, heirs and assigns.

24 Item 1.3
DATE: MARCH 4, 2020
TO: BOARD OF DIRECTORS
SUBJECT: DISCUSSION REGARDING CERTAIN PROPERTY DESIGNATED AS “NORDAHL 15-LOT SUBDIVISION” (APN 226-290-01) (REZA SAMANDARI & SAHAR NAEEMI)

BACKGROUND:
The Nordahl Road Subdivision is a proposed 15-lot single-family residential development. The property is on approximately 3.8 acres located on the west side of Nordahl Road, north of Rock Springs Road and south of El Norte Parkway. The property is currently within the VWD Sphere of Influence but not within either the water or sewer service boundaries of the District. The property is currently within Vista Irrigation District’s (VID) water service boundary and receives water service from VID.

DISCUSSION:
The previous owner of the property, Jim Waring, requested annexation into VWD’s water and sewer boundary. The annexation conditions were approved by the Board on July 19, 2017. At the time, VID had agreed to continue to serve the property, so the property was planned to be served by VWD for sewer only.

A sewer study was prepared for the previous owner by VWD in December 2017. The study identified over 3,000 feet of sewer main which was deficient. After discussions with the previous owner, it was determined that VWD would only require the most impacted section of sewer main to be addressed. The owner would be responsible for upsizing a 137-foot section of sewer main in Rock Springs Road from 8-inch to 15-inch.

A subdivision improvement plan check was opened with VWD in August of 2018. Staff returned plan comments within three weeks, but a corrected version was never received back from the previous owner. On April 1, 2019, Mr. Waring sent an email to staff expressing concerns about the project’s viability. Mr. Waring ceased work with VWD on both the plan check and water and sewer annexation for the Nordahl 15-Lot Subdivision.

To summarize, the annexation conditions had not been met and the plan check was incomplete. A construction agreement has not been approved by the Board and the improvement plans are not signed. Therefore, no written commitments were given from VWD staff to protect the project or secure the verbal agreements made with Mr. Waring. Staff closed-out the project in December 2019 due to inactivity and refunded the balance of funds remaining back to the property’s previous owner.

Reza Samandari and Sahar Naeemi recently purchased the property with the assumption that the development conditions agreed between VWD and the previous owner would transfer to the new ownership.
When Mr. Samandari and Ms. Naeemi contacted VWD about resurrecting the project, they were informed that since the project had been closed and no formal agreements were in place, the project owners would be required to reapply for water and sewer service. This would require an update to the sewer study since VWD has since adopted a new Master Plan with a new sewer model. The new owners would also be required to start the annexation and plan check processes over.

Since Mr. Samandari and Ms. Naeemi based their purchase of the property on the assumption that the project requirements were already set, they are requesting that VWD honor the verbal agreement that was offered to the previous owner, such as allowing VID to serve water to the development, no requirement to update the sewer study and limiting the off-site sewer upgrades to the 137 feet in Rock Springs Road.

Staff has the following concerns regarding Mr. Samandari’s and Ms. Naeemi’s request:

1. Staff has held discussions with VID over the past year regarding water service to new developments within VID’s water service area but also within VWD’s Sphere of Influence. This issue is expected to be resolved by the March 4, 2020 Board meeting. If VWD will provide water to the property, the owner will need to construct approximately 1,200 feet of VWD water main from the intersection of Rock Springs and Nordahl Road to the property, which was not required of the previous owner.
2. VWD has completed and adopted a new Master Plan since work halted on the Nordahl 15-Lot Subdivision. This new Master Plan projects higher sewer flows than the 2008 version of the Master Plan. In order to determine if the proposed development impacts VWD’s sewer collection system under the new Master Plan projections, an updated study would be required.
3. VWD does not currently have a project with the new owners of the Nordahl 15-Lot Subdivision. To start a project with VWD, a developer would typically be required to fund a water and sewer study. While Mr. Samandari and Ms. Naeemi have deposited funds with VWD to investigate water purveyor options, they specifically did not authorize work on a water and sewer study.

In conclusion, staff is requesting that Mr. Samandari and Ms. Naeemi authorize work on an updated water and sewer study in order to determine project impacts and assist in setting development conditions.

SUBJECT: ADJUSTMENT TO GENERAL MANAGER’S COMPENSATION

BACKGROUND:
In 2018 the Vallecitos Water District and General Manager Pruim (Employee) entered into the First Amended Employment Agreement (Agreement), which extended the term of General Manager Pruim’s employment by four years effective December 5, 2018. Section 3, Annual Salary, of the Agreement states the following: “Employee shall receive the same cost-of-living adjustments as other full-time District management employees. In addition, the Board of Director’s shall conduct an annual performance evaluation of Employee to consider Employee’s performance and compensation. At that time, the Board of Director’s will consider merit increases of up to three percent (3%) in salary, as may be determined by the Board of Directors in its sole discretion.”

DISCUSSION:
The Board conducted an annual performance evaluation for General Manager Pruim. Based upon their review, the Board proposed, in lieu of a discretionary merit increase of up to three percent (3%) in salary provided by the Agreement, to consider paying General Manager Pruim a one-time performance-based lump sum bonus. The bonus is a one-time payment, does not set a precedent and will not be included in the calculation of his CalPERS retirement benefit.

FISCAL IMPACT:
The one-time lump sum bonus is in the amount of $10,000. There are adequate funds in the operating budget for this amount.

RECOMMENDATION:
Approve the one-time lump sum bonus for General Manager Pruim.
