

Water waste is prohibited

When you sign up for water service with the Vallecitos Water District, you agree to abide by our policies and ordinances. The following actions are violations of Vallecitos' Drought Ordinance during our current Level 2 Drought Alert:

- ❖ Watering more than 3 days per week
- ❖ Watering more than 10 minutes per station per watering day
- ❖ (water efficient devices are excluded – i.e. drip systems, rotating nozzles, weather based irrigation controllers, etc.)
- ❖ Irrigating outside of approved hours (irrigation is only permitted between 6 pm–10 am)
- ❖ Hosing down paved surfaces
- ❖ Inefficient irrigation, such as runoff, overspray, water flows onto paved surfaces, etc.
- ❖ Broken sprinkler head
- ❖ Leak on property

What we do about water wasters:

If the Vallecitos Water District notifies you of water waste, you are given the opportunity to fix the problem, and you may request a residential or commercial survey of your property to assist you in solving the water waste issue. This service is provided free of charge by calling (760) 744-0460 Ext. 223.

How to report water waste:

If you see water waste, the Vallecitos Water District would like to hear from you. Please provide us with your name, address and phone number so we may contact you if we have any questions. Your contact information will be kept confidential.

Please leave a brief description of the address where you've observed water waste, description of the problem, and the time of day that it occurred. We will contact the property owner to advise them of the water waste and offer assistance with water conservation.
